

TRIO/Educational Talent Search Program (ETS)*

The ETS program is one of several federally funded TRIO programs and is designed to encourage students to complete high school and pursue a college education. ETS is sponsored by UW Fox Valley in partnership with the Kaukauna Area School District and Menasha Joint School District.

This early intervention program serves 620 Menasha and Kaukauna area 6th-12th grade students each year and there is no fee for students to participate. In addition to academic counseling and career exploration, participants receive information about college admissions requirements, student financial aid and college placement tests. Students also have opportunities to tour college campuses and participate in various student activities around the Fox Cities, the State and the region.

Program coordinators have offices in Menasha High School, Maplewood Middle School, Kaukauna High School and River View Middle School. The High School Coordinator is Mrs. Dawn Grenzer and the Middle School Coordinator is Mrs. Kerry Johnson. For more information or to register a student, call 920-832-0102 or visit our website at <http://www.uwfox.uwc.edu/campconnect/trio/index.html>

ETS is 100% federally funded through the U.S. Department of Education at \$226,600 per year
