

Maplewood Parent Association Volunteer Opportunities 2011-2012

The MPA is a volunteer organization that supports the goals and objectives of The Maplewood School by promoting a sense of community among student families; providing strong communication between the parent body and the school's administration and faculty; encouraging volunteerism; and raising funds for the sole benefit of The Maplewood School. The MPA sponsors many events each year for the school. Thank you for your help! **Volunteer support is vital to the MPA's success. Each parent is asked to complete a separate form.
