

Starting the first
day of school –

Super Snack is
served
immediately
after the bell in
your school
cafeteria.

Offered
Monday – Friday

Menasha Joint School District is pleased to introduce a new enhancement to the after school programming.

The new **"Super Snack"** will really hold your student over until dinner time! A **"Super Snack"** is made up of items such as string cheese, yogurt, a fruit and vegetable choice, a small sandwich and milk. Students may choose as few as three items or may take all five. This will more than meet the needs of those after school rumbling tummies and also reassure parents that this meal will not interfere with the family dinner!

Join us immediately after the bell for a hunger busting **"Super Snack"** and re-fuel for your after school activities!
