

Greetings,

We are spreading the word via facebook and email but wanted to share with you as well that the BGC will be providing a drive up dinner option for all youth, members or not, starting today 4:30-5:30pm. We have a post on Facebook, would it be possible to share to the MJSD page as well?

We are all in this together and we'll continue to be here for you as we all work to find our way through it ... together.

Starting today (Tuesday, March 17th) - youth dinner pick up will be available at the Boys & Girls Club of Appleton (160 S. Badger Ave, Appleton) and the Boys & Girls Club of Menasha (600 Racine St., Menasha) from 4:30 pm - 5:30 pm, Monday-Friday.

Meals will be eligible to children and youth between the ages of 6-18. Parents and caregivers, please be aware that your children and/or youth **MUST BE PRESENT** in order to pick up meals. You will not need to have a child or youth enrolled as Club Member to qualify for these meals.

If you are in need of meals we ask that you please complete the brief form (click the link below to access the form). While completing the form is not necessary to receive meals it will be immensely helpful as we work to plan ahead.
