Under Wisconsin Statute 118.15(4), a parent or guardian has the right to select a home-based private educational program (HBPEP) for her or his child or children, in order to comply with the compulsory school attendance law. This option is commonly referred to as home-schooling. If the HBPEP option is chosen, the parent or guardian is required to complete form PI-1206 online and submit it to the Department of Public Instruction (DPI).

A parent who is planning to provide a home-based private educational program may not legally withdraw her/his child from a public or private school until the child is officially registered with the DPI. This occurs when the DPI has received the completed form PI-1206. If withdrawn from a public or private school prematurely, the child may be considered truant.

The PI 1206 form is to be completed and submitted online. The online form is available at this website, [sms.dpi.wi.gov/sms\\_homeb](http://sms.dpi.wi.gov/sms_homeb). The Department of Public Instruction does not provide personal consultation and technical assistance regarding home-based private educational programs.

As the legal parent/guardian of \_\_\_\_\_, it is my intent to provide him/her with a home-based private educational program. I have read and understand the above mentioned information.
